## SQP Pools Closure Notification

Following a thorough review today, SQP pools will remain open and will be closed **on or before Friday 12<sup>th</sup> February**.

“We are encouraging growers to take action as soon as possible so they do not miss out on access to our pools and in particular the wheat quality reward opportunities” SQP’s Managing Director, Ben Fleay said.

The latest SQP pool estimates for each commodity are outlined below. For further information, or to contract into one of the SQP pools, call the Ballarat office on 5331 4943 or Horsham office on 5381 0512.

*Note: Estimated Pool Return (EPR) is as at date of release and at a defined quality level for each pool pay grade. Prices are net of management fees. Early Order Premiums (if applicable) need to be ADDED to the quoted returns. Wheat base grade is APW1 with all prices delivered port; deductions associated with payment option choice and location need to be taken into account. All prices are in Australian dollars (AUD) and are estimates only – they are subject to change over the life of the pool as a result in changing market conditions and management performance. All terms and conditions of SQP pools are published on our website at [www.sqpgain.com.au](http://www.sqpgain.com.au).*
