

IN ORDER TO GAIN OUR SUSTAINABLE CANOLA PREMIUM FOR THIS CONTRACT YOU MUST COMPLETE THE FOLLOWING DISCLAIMER

Sustainability Declaration

I declare that:

1. canola coming from hectares of my land and delivered to The Emerald Group has been cultivated on farmland classified as "arable land" on or before 1st January 2008;
2. any areas cultivated which are subject to the legal requirements regarding the protection of ecosystems and rare species are in full compliance with the relevant legal requirements;
3. Emerald Group may use aerial photography or production maps to satisfy an independent auditor that the land was not cleared after 1st January 2008;
4. I am willing to undergo an audit on the sustainability of my farm, if required by the Emerald Group, its customers or a relevant certification body; and
5. I have read, understood, and comply with the sustainability criteria for biofuels and bioliquids, as per article 17 of the Renewable Energy Directive (RED). *(A copy of RED is available on our website or through request from your local grain merchant).*

In order to ensure Emerald is compliant with the requirements of RED the following information is required:

Business Name: _____

Property Name: _____

Property Address: _____

Latitude/Longitude (optional): _____

I hereby confirm that I adhere to the points noted above.

Signature: _____

Print Name: _____

NGR / CBH (WA only) Number: _____

Date: _____
