[†] Harvest Advance and Harvest Loan will be paid at Harvest on the NHEPR. All subsequent payments post-harvest including Distributions and Deferred, will be calculated to the indicated percentage of the then current EPR.

All % and timing are a guide only. Pool payment schedule is subject to change. All prices are in Australian dollars (AUD) and are Free On Board (FOB). Premiums and discounts are estimates as at the above date shown and delivery location need to be taken into account.

COSTS AND INFORMATION:

Underwriting: A guarantee provided by SQP that the consideration to be paid to you, will not be less than the Harvest Payment under the selected payment option.

Management and Admin Fee: EPR is quoted NET of Management and Admin fee.

Finance Cost: Estimate of the finance and interest costs incurred by SQP as a result of making payment to growers prior to receiving payment for sales made in the pool. The cost is an estimate and can be adjusted in subsequent payments.

Nominated Harvest Estimated Pool Return: (NHEPR) will be the estimated pool return for all Harvest payments until March. Following harvest, payments will be made on the then current EPR.
