

DID YOU KNOW... YOU CAN ACCESS YOUR SQP PAPERWORK ONLINE?

As part of SQP's commitment to its growers, our regional representatives and local offices have been talking and listening to growers.

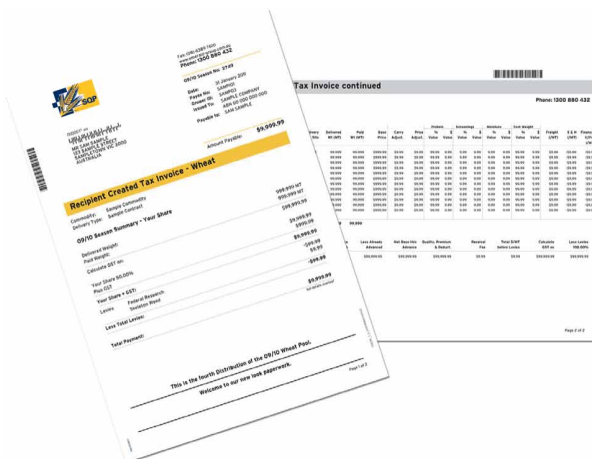

As a result of those discussions and our annual grower survey, SQP not only redesigned its grower paperwork to make reading your payment information easier – but it is also available to view online.

By registering to access your paperwork online means you have:

- + Access have to your paperwork anytime - anywhere
- + 24/7 access
- + Full payment history dated back to October 2010 right at your finger tips
- + Paperwork is available earlier online – no more waiting for the postman
- + Easier ability to share paperwork with your financial adviser

If you haven't registered to view SQP's paperwork online, or you have logged on and can't locate your password, then please contact your local SQP office.

Your online paperwork can be accessed by visiting our website and following the link on the home page.

For more information call your SQP representative on **(03) 5331 4943** or visit sqpgrain.com.au
